

## Bloom to Host Free Eminence Organic Skin Care Event

**O**n Friday, December 7, 3–6pm, Bloom Organics will host an event featuring the Eminence Organic Skin Care line. The Hungarian line features a wide variety of healthy, raw food for the skin and body, ranging from cleansers, serums, masks, moisturizers, scrubs, sunscreens, and mineral makeup. Eminence also uses sustainable practices, such as the use of alternative forms of power and eco-sensitive packaging. The products are handmade and shipped fresh, eliminating the need for harmful preservatives. Goodie bags with coupons and specials on products and spa services will be available. Complimentary treatment consultations are available with reservations.

Bloom Organics is an apothecary spa specializing in certified natural, organic, and biodynamic personal care products and spa services, including non-surgical facelifts, organic skin and body therapies, and natural nail services. They are located at 2065 Siesta Dr. Call 362-4194, email [bloomorganics@hotmail.com](mailto:bloomorganics@hotmail.com), or visit [www.bloomorganics.com](http://www.bloomorganics.com).

## OBLI Organics Launches Organic Children and Doggie Clothing Lines

**S**isters and partners Michelle Young and Melissa Blanco have launched OBLI Organics, an ecolectual™ clothing company, offering a line of 100% Fair Trade organic children's clothing and doggie fashion, all featuring positive ecological messages and designs. OBLI has trademarked the word "ecolectual" to promote actions guided or motivated by an intelligent respect for the environment.

Michelle has lived in Sarasota for more than 13 years. Following 10 years working in resort and club marketing, she spent four years as vice president of a local advertising agency. Melissa, based in Miami, has been working in relationship and marketing management for a Fortune 100 company for the past eight years.

The winter line, the company's first, is available at [www.obliorganics.com](http://www.obliorganics.com). Call 877-674-6959 for more information.

## Brazilian Springs Serves Eco-Friendly Bottled Water

**B**razilian Springs provides eco-friendly bottled water, bottled from a natural underground spring at about 60 meters below the surface of the earth. The company began in order to help preserve the Brazilian Rainforest, and they donate a portion of sales from each bottle to help save and preserve the Brazilian Rainforests.
